Bundoora Homestead Foundation

The Bundoora Homestead Foundation was established in 2004 to support the activities of Bundoora Homestead and the City of Darebin Art and History Collection. The Foundation is managed as a separate fund to facilitate donations of money and gifts of significant artworks that support the objectives of Bundoora Homestead.

The generosity of Foundation members greatly enhances the ability of Bundoora Homestead to maintain its commitment to fostering an appreciation of the visual arts and cultural heritage throughout the community, develop the scope of its exhibition and events program, and to expand the City of Darebin Art & History Collection.

Bundoora Homestead Art Centre opened in August 2001 as the public art gallery for the City of Darebin and is committed to developing innovative, challenging and inspiring programs that contribute positively to the community's cultural identity.

Bundoora Homestead Art Centre presents contemporary visual arts and decorative craft exhibitions, a public education program, community access gallery and the Darebin Art Show

which are designed to encourage and promote participation, celebration and artistic expression.

Bundoora Homestead Art Centre operates as a historic house, art gallery and café, registered by Heritage Victoria and certified by the National Trust. Bundoora Homestead Art Centre is funded by Darebin Council with support from Arts Victoria and the Commonwealth Government through its Federation Cultural and Heritage Projects Scheme.

Bundoora Homestead Art Centre is responsible for managing the City of Darebin Art & History Collection and administering the Bundoora Homestead Foundation Fund.

The City of Darebin Art & History Collection recognises the importance of the City's cultural heritage and is comprised of significant contemporary artworks and historical items that reflect the artistic, social and political aspirations of the community. The role of the collection is to inspire, inform, engage and connect the community in an appreciation of the visual arts and to support local artists in their endeavours to contribute to a vibrant municipal culture.
